**Subject:** Texas GulfLink - Title V and Minor Permit Applications & Certification Forms - 4.11.22  
**Attachments:** \_Title V Application for DWP (final) - 04-07-2022.pdf; \_Initial Minor Application for DWP (final) - 04-07-2022.pdf; TCEQ OP-CRO1 signed 4.11.22.pdf; Part 71 - Cert of Truth, Accuracy, and Completeness (CTAC) signed 4.11.22.pdf; TCEQ CORE Data Form signed 4.11.22.pdf

Good Morning Mr. Toups,

I trust this email finds your team well.

Please find the **attached** **Title V** and **Minor Permit Applications** for Texas GulfLink's ("TGL") proposed deep water port facility.

Also **attached** to this email are the following signature and certification pages:

- [Certificate of Truth, Accuracy, and Completeness \(CTAC\)](#)
- [TCEQ Core Data Form](#)
- [TCEQ Form OP-CRO1 Certification by Responsible Official](#)

USCG personnel working on TGL's Environmental Impact Statement are copied on this correspondence.

Please confirm receipt and/or any other documents or forms required by your department.

Thank you very much.

Kind Regards,

**Tyler Abadie, P.E.**  
Chief Executive Officer
